PRICES OF SUPERMARKET ITEMS IN TRINIDAD & TOBAGO

PRE AND POST BUDGET 2017

As part of its mandate to ensure fair pricing in the marketplace, the Consumer and eighteen (118) selected food items was conducted across forty-six (46) Affairs Division of the Ministry of Trade and Industry has been monitoring the supermarkets in Trinidad and Tobago. These items were derived from a basket prices of items at supermarkets in Trinidad and Tobago. Between September of goods survey administered by the Consumer Affairs Division in 2014. The 13th to 20th and October 10th to 20th 2017, a price survey of one hundred objective of this basket of goods survey was to obtain information on the basic

food purchasing habits of consumers at supermarkets with a view to determining can be considered Pre-Budget prices while those collected in October can be goods to monitor prices on a monthly basis. The prices collected in September be accessed at http://www.tradeind.gov.tt

a sample basic food basket for consumers across all income groups (low, middle considered Post-Budget. The list below provides a snapshot of prices collected. A and high). The Consumer Affairs Division continues to use this basket of selected full list of items and supermarkets surveyed for both September and October can
