NEGATIVE CODE	ITEM	ITEM DETAIL DESCRIPTION FORMAT
<b>Livestock</b>		
00000	Livestock: Live Poultry, rearing or breeding	Description as approved by Ministry of Food Production E.g. Live day old (Mulard Ducklings)
00001	Livestock: Live Poultry, other than rearing or breeding	Description as approved by Ministry of Food Production
<b>Fish, Crustaceans, Molluscs</b>		
02000	Fish, fresh (live or dead), chilled or frozen	Description as approved by Fisheries Division of the Ministry of Food Production E.g. Cascadura (Hoplosternum Littorale)
02001	Shrimp (prawn), Lobster, Crabmeat; fresh (live or dead), chilled or frozen	Description as approved by Fisheries Division of the Ministry of Food Production E.g. Lobsters (Panulirus Argus)
<b>Oils and Fats</b>		
12000	Coconut in all forms including coconut seedlings, copra, desiccated coconut, coconut milk and coconut cream, but excluding coconut oil	Describe the item in specific detail [including total weight] E.g. Coconut Milk Powder (500 kg)
12001	Oil seed cake, meal and other vegetable oil residues	Describe the item in specific detail
12002	Copra	Describe the item in specific detail
12003	Oilseeds, beans, nuts, etc.	Describe the item in specific detail
12004	Animal oils, fats and greases, unrefined	Describe the item in specific detail
12006	Fatty acids and solid residues from the treatment of oils and fats	Describe the item in specific detail
12007	Vegetable fats	Describe the item in specific detail [including total weight] E.g. Table Margarine (1000 kg)
<b>Motor Vehicles</b>		
22000	Commercial Road Motor Vehicles over 15 metric tonnes (15,000 kgs)	Description as approved by Transport Board (including weight, and dimensions) E.g. Used RHD Man (6X2) Midlift Tractor Truck with A/C unit using R134a gas, ten years old or less from the date of manufacture, MGW 23,000 kgs, and Width-2.49M, Height-3.10M, Length-6.175M
22000	Commercial Road Motor Vehicles under 15 metric tonnes (15,000 kgs)	Used RHD/LHD [Brand] [Model] [Type of Vehicle], with A/C unit using [type of refrigerant gas], ten years old or less from the date of manufacture, and MGW under 15,000 kgs E.g. Used RHD Mazda Flatbed Truck, with A/C unit using R134a gas, ten years old or less from the date of manufacture, and MGW under 15,000 kgs

Please call us at 675-8242, 674-3545 or 623-2931 ext. 3024, 3021, 3023, 3017 for assistance

NEGATIVE CODE	ITEM	ITEM DETAIL DESCRIPTION FORMAT
22000	Commercial Road Motor Vehicles (Panel Van and Pickup)	Used RHD [Brand] [Model] [Type of Vehicle], with A/C unit using [type of refrigerant gas], seven years old or less from the date of manufacture E.g. Used RHD Nissan Caravan Panel Van, with A/C unit using R134a gas, seven years old or less from the date of manufacture
22000	Returning National - Road Motor Vehicles	Used RHD/LHD [Year of Manufacture] [Brand] [Model] [Type of Vehicle], with A/C unit using [type of refrigerant gas], Chassis #LCR5-6762B E.g. Used RHD 2009 Mitsubishi Lancer, with A/C unit using R134a gas, Chassis #LCR5-6762B
22000	Motor Cars for Personal Use (Gas Engine)	* Where motor vehicles using gas engine are exactly 6 years old – Used [Year of Manufacture] RHD/LHD [Brand] [Model] [Type of Vehicle], [Type of Fuel] Engine, with A/C unit using [type of refrigerant gas], Chassis # [Chassis #] E.g. Used 2009 RHD Mitsubishi Lancer Sedan, Gas Engine, with A/C unit using R134a gas, Chassis #LCR5-6762B  * Where motor vehicles using gas engine are less than 6 years old – Used RHD/LHD [Brand] [Model] [Type of Vehicle], [Type of Fuel] Engine, with A/C unit using [type of refrigerant gas], six years old or less E.g. Used RHD Mitsubishi Lancer Sedan, Gas Engine, with A/C unit using R134a gas, six years old or less
22000	Motor Cars for Personal Use (Diesel Engine)	* Where motor vehicles using diesel engine are exactly 3 years old – Used [Year of Manufacture] RHD/LHD [Brand] [Model] [Type of Vehicle], [Type of Fuel] Engine, with A/C unit using [type of refrigerant gas], Chassis # [Chassis #] E.g. Used 2012 RHD Mitsubishi Lancer Sedan, Diesel Engine, with A/C unit using R134a gas, Chassis #LCR5-6762B  * Where motor vehicles using diesel engine are less than 3 years old – Used RHD/LHD [Brand] [Model] [Type of Vehicle], [Type of Fuel] Engine, with A/C unit using [type of refrigerant gas], three years old or less E.g. Used RHD Mitsubishi Lancer Sedan, Diesel Engine, with A/C unit using R134a gas, three years old or less

Please call us at 675-8242, 674-3545 or 623-2931 ext. 3024, 3021, 3023, 3017 for assistance

NEGATIVE CODE	ITEM	ITEM DETAIL DESCRIPTION FORMAT
22000	Motor Cars for Personal Use (CNG Engine)	<p>* Where motor vehicles using CNG engine are exactly 4 years old – Used [Year of Manufacture] RHD/LHD [Brand] [Model] [Type of Vehicle], [Type of Fuel] Engine, with A/C unit using [type of refrigerant gas], Chassis # [Chassis #] E.g. Used 2011 RHD Mitsubishi Lancer Sedan, CNG Engine, with A/C unit using R134a gas, Chassis #LCR5-6762B</p> <p>* Where motor vehicles using CNG engine are less than 4 years old – Used RHD/LHD [Brand] [Model] [Type of Vehicle], [Type of Fuel] Engine, with A/C unit using [type of refrigerant gas], four years old or less E.g. Used RHD Mitsubishi Lancer Sedan, CNG Engine, with A/C unit using R134a gas, four years old or less</p>
22000	Dealer Licenses - Road Motor Vehicles (Gas Engine)	Used RHD 2009-2015 Manufactured Sedans, Station Wagons, and Private Utility Vehicles, Gas Engine. with A/C unit using R134a gas
22000	Dealer Licenses - Road Motor Vehicles (Diesel Engine)	Used RHD 2009-2015 Manufactured Sedans, Station Wagons, and Private Utility Vehicles, Diesel Engine, with A/C unit using R134a gas
22000	Dealer Licenses - Road Motor Vehicles (CNG Engine)	Used RHD 2009-2015 Manufactured Sedans, Station Wagons, and Private Utility Vehicles, CNG Engine, with A/C unit using R134a gas
<b>Paper and Paper Products</b>		
26006	Paper and Paper Products: Paper for wrapping tobacco or cigarettes	Describe the item in specific detail E.g. Tobacco Paper
<b>Miscellaneous Manufactured Products</b>		
35015	Misc. Manufactured Products: Ships and boats (under 250 tonnes)	Type of Vessel, Name of Vessel, Weight E.g. Pleasure Craft Boat E.g. Fishing Vessel
<b>Pesticides</b>		
36000	Pesticides: Parathion, ethyl	Description as approved by The Pesticide and Toxic Chemicals Inspectorate of the Ministry of Health
36001	Pesticides: 2,4,5-Trichlorophenyl (2,4,5-T)	Description as approved by The Pesticide and Toxic Chemicals Inspectorate of the Ministry of Health
36002	Pesticides: Dichlorodiphenyl Trichloroethane (DDT)	Description as approved by The Pesticide and Toxic Chemicals Inspectorate of the Ministry of Health
36003	Pesticides: Chlordimeform	Description as approved by The Pesticide and Toxic Chemicals Inspectorate of the Ministry of Health

Please call us at 675-8242, 674-3545 or 623-2931 ext. 3024, 3021, 3023, 3017 for assistance

NEGATIVE CODE	ITEM	ITEM DETAIL DESCRIPTION FORMAT
36004	Pesticides: Dibromochloropropane (DBCP)	Description as approved by The Pesticide and Toxic Chemicals Inspectorate of the Ministry of Health
36005	Pesticides: Ethylene Dibromide (EDB)	Description as approved by The Pesticide and Toxic Chemicals Inspectorate of the Ministry of Health
36006	Pesticides: Pentachlorophenol (PCP)	Description as approved by The Pesticide and Toxic Chemicals Inspectorate of the Ministry of Health
36007	Pesticides: Lead Arsenate	Description as approved by The Pesticide and Toxic Chemicals Inspectorate of the Ministry of Health
36008	Pesticides: Thallium and its salts	Description as approved by The Pesticide and Toxic Chemicals Inspectorate of the Ministry of Health
36009	Pesticides: Aldrin, Dieldrin and Endrin	Description as approved by The Pesticide and Toxic Chemicals Inspectorate of the Ministry of Health
<b>Ozone Depleting Substances</b>		
37001	Ozone Depleting Substances (ODS); Mixtures containing Ozone Depleting Substances (ODS)	Specific Chemical Name of Ozone Depleting Substance, (ASHRAE #) E.g. Chlorodifluoromethane (R 22)
38001	Equipment requiring the use of Ozone Depleting Substances (ODS); a) Air or Vacuum Pumps and Compressors. b) Dehumidifiers. c) Air-Conditioning Machines. d) Refrigerators, freezers, etc. e) Portable Fire Extinguishers	[Type of Equipment] using (ASHRAE #) E.g. Refrigerator using R134a gas E.g. Fire Extinguishers using ABC dry chemical powder E.g. A/C Unit using R134a gas, for use in Motor Vehicle
