## TRADE MINISTRY TO HONOUR CALYPSO ROSE WITH MUSIC WORKSHOP IN EARLY 2017

**August 23, 2016:-** Senator the Honourable Paula Gopee-Scoon, Minister of Trade and Industry and senior officials of the Ministry welcomed international calypso icon, Dr. Mc Cartha Linda Lewis, also known as Calypso Rose, to the Ministry's Port of Spain office on Tuesday 23rd August, 2016. This meeting came on the heels of Calypso Rose's recent achievements under the auspices of Because Music, one of Europe's top music labels.

In an effort to ensure that the wealth of knowledge and experience gained over the years by this globally celebrated artiste passes on to future generations, Senator Gopee-Scoon committed to work, through the Trinidad and Tobago Music Company (MusicTT), to design and implement a Music Workshop in the form of an information sharing session geared toward the celebration of Calypso Rose's achievements and knowledge transfer, in early 2017. Minister Gopee-Scoon said to the living legend **'we want the young people of Trinidad and Tobago to know you; and we want your help to develop the local industry'**.

In addition to the walk down memory lane, the Trade and Industry Minister took the opportunity to congratulate the 76 year old Calypso veteran on her recent selection to receive the prestigious WOMEX (World Music Expo) Award on 23rd October 2016 in Spain, saying to Calypso Rose that we **'applaud you and congratulate you on your journey and achievements'**.
